This is the kind of story I want to share with a grandchild on my knee when I'm old and gray. 2021, the year we stood with the greatest President of modern times to defend the republic.

There won't be another generation if everyone takes the vaccine. They haven't even studied the effects it has on fertility yet.

I work in the pharmaceutical industry. I bring up thalidomide all the time. As someone who works with medications I feel like it's my job to get people to take as little medication as possible.

If Soetoro could spend \$65k of taxpayers' money on hot dogs from the WH for pedos, Trump can certainly spend at least that much on hamburgers for patriots.

80 million people voted for Trump.

If even one out of every one-hundred Trump voters show up that's 800,000 people.

If even 25% of them are armed that's 200,000 armed patriots.

If only 5% of them take action against traitors (assuming Biden is "elected" on the 6th), that's 10,000 people watering the tree of liberty.

It only takes one to make the first move, then 9,999 others follow. Then 199,999 others realize they have to follow. Then 799,999 quickly grab whatever they can find to help...

Why does the last screenshot say its the "March for Trump Bus Tour"?

seriously, check the website. They want you to buy tickets to literally ride a bus?

edit: ok, I guess the bus tour is in days before Jan 6, going to Washington, then on the 6th is a rally itself, not a tour of dc in busses.

– [bingbongdingdong](#) 15 points 12 days ago +15 / -0

Because the video was produced by the march for trump bus tour people, not by trump or his campaign.

The march for trump people may be out to make a buck, but they are generally good people. They have been organizing all kinds of grassroots rallies for the president and have been involved in almost every one of the stop the steal events since the election.

I'd also like to add that given the sheer number showing up at these Million Maga Marches, I think very few of those people were from our forum. Like it or not, they've been organizing on facebook or elsewhere.

I couldn't find where I can buy tickets? I would definitely fly in to a state and take a bus with patriots to DC, tickets right now from where I live to DC have gone through the roof, but tickets to other cities are fine, like fly in to PA (I know, right? 😂) and take a bus from there..

That leaves a lot of time for organizing and networking prior. Wave your state flags and get with people of your state. When this goes to a contingent election it will be state delegations that decide in the House.
